Flange Gasket is not included in the rebuild kit, if flange mount carburetor we recommend you also order a new flange gasket #M109 @ \$16.54

\*\*\*NOTE – If your carb has an accelerator pump

\*\*\* FULL REBUILD KIT\*\*\*

IN SHOP REBUILD

1/22/161 @ \$338.09 (In shop rebuild \$500.00)

1/22/131 @ \$338.09 (In shop rebuild \$500.00)

Carburetor Manual \$13.75

We also offer other Isetta carburetor parts; an exploded view is available for parts identification.

Replacement:

The Isetta carburetor is no longer being produced. We have a replacement carb #1/24/141 that works great, there is no choke on this carburetor, and this carb is hand primed with a tickler button.
